

VILLAGE OF ADDYSTON, OHIO SPECIALCOUNCIL MEETING AUGUST 31, 2023

Mayor Lisa Mear called the Special session/Public Hearing to order at 5:30 PM. All joined in the Pledge of Allegiance, and Roll call of council found the following council present; Mr. Dan Pillow, Ms. Jennifer Wiehe, Ms. Jennifer Anderson, Ms. Ann Pillow, and Ms. Pam Jackson. Mr. Glick was absent due to his work schedule. Also present were Village Clerk Margaret Ann Dozier, and Shawn Riggs, Village Engineer. Guest in the audience were residents who reside on Sekitan Avenue, members of the First Missionary Baptist Church 319 Sekitan Avenue, and members of the Early Church of God 338 Main Street. A sign in sheet was available for residents to sign as to being in the public hearing (placed with village minutes).

Mayor Mear called upon Mr. Riggs, Village Engineer who presented to the council and audience the scope of the Sekitan Avenue Stabilization Project, he explained what is anticipated to happen, geotechnical study, funding sources, impact to existing conditions, resident, and property owners, possible impacts to utilities, and timeline for the project. Mr. Riggs fielded questions and concerns about the project from the residents.

There were some residents concerned that the residents did not receive a letter about the Public Hearing, and that they only knew of the public meeting was happening because one of the residents read the public notice and started calling other residents. Representatives from the Early Church of God asked about the water run damaging the church and what could be done to help with those repairs, who they needed to speak with, etc. Several residents along Sekitan spoke on the last blacktop job where the swell in the road was removed and there is nothing to prevent rainwater from running over into their yards. The Village will address those concerns moving forward, and the village will notify the residents as to the next meeting.

At 8:25 PM, Mr. Pillow made a motion to adjourn, seconded by Ms. Anderson, no discussion, and a Roll call vote: Five (5) Ayes motion carried. Minutes prepared by Margaret Ann Dozier, Village Clerk.
