

Mayor Lisa Mear, called the Special Session of the Village of Addyston Council to order at 6:00PM, and announced that the Special Session was for the 2016-2017 Audit review, and ask for Roll call of council with the following council members present, Mr. Dan Pillow, Mrs. Lisa Stafford, Mr. Dan Dalton, Mrs. Ann Pillow, Mr. Steve Dalton, and Mrs. Pam Jackson. And Village Clerk Margaret Ann Dozier.

Mr. Pillow stated that there were over 74 pages of things that needed to be reviewed and comments made on, he did not know council could get thru everything in one or two meetings, he stated it was like a witch's hunt with some of the comments from the auditor staff. He stated that council needs to review each page and give an answer even though someone had already given a response. Village Clerk Dozier stated she answered the questions because no one else had and the Auditors were pushing her (the village) for a response. Mr. Pillow stated that all of council needed the same audit documents to read and make comments on that way everyone was on the same page. Mrs. Jackson proposed that since start is its Summer schedule with meeting once a month that council use the other meeting day to review the audit that way it can be broken down each meeting. A Motion was made by Mr. Pillow, seconded by Mrs. Jackson to set a date for future 2015-2016 audit discussion and council all have the same document to review/read from, no other discussion and Roll call vote: 6 Ayes motion adopted.

Mayor Mear stated that it was not on the agenda, but the Addyston Police Association wanted to have a "fill the hat" drive on Saturday, Mrs. Stafford stated that council had already given permission for that type thing, different council members stated it was not on this meeting agenda, no council action taken on this request. A Motion was made by Mr. Steve Dalton, seconded by Mr. Dan Dalton to adjourn, no discussion and Roll call vote: 6 Ayes motion adopted. Minutes prepared by Village Clerk Margaret Ann Dozier.
